OBJECTIVE

Obtain a teaching position in an elementary or middle school to promote students' academic, social, and emotional development while helping each student discover self-worth in an educational community that supports each learner as a valued individual.

EDUCATION

St. Norbert College, De Pere, WI

Bachelor of Arts Degree in Elementary Education, May 2020

Minor: ESL Certification

Certifications: Middle Childhood/Early Adolescence (Grades 1-8) and English as a Second Language

GPA: 3.92/4.0

TEACHING EXPERIENCE

Student Teacher- 6th Grade, Lombardi Middle School

November 2019- January 2020

Green Bay Area Public School District, WI

- Adapted lessons for Reader's Workshop and Writer's Workshop for English Language Learners (Level C and above), and created an Understanding by Design unit for Informational Text.
- Incorporated partner work and collaborative group learning based on Kagan structures, and differentiated lessons for students at a variety of levels and for a variety of learning styles.
- Autonomously designed and led interactive, engaging and multimodal lessons/activities for students at various developmental and academic levels using the Gradual Release of Responsibility model.
- Designed a team-taught Social Studies class with Deaf and Hard of Hearing (DHH) and special education students.
- Created and used a variety of formative and summative assessment techniques to adjust instruction and evaluate students' learning.
- Integrated a variety of technologies, such as iPads, AVer, Netbooks, and PowerPoint, to enhance lessons and to engage and motivate students.
- Actively participated in Collaborative Learning Team (CLT), English/Language Arts, and 6th grade house team.
- Took part in multiple IEP meetings with other colleagues and students' parents to review a student's progress and challenges within the classroom.
- Provided student progress to parents through email, conferences, and face to face interaction, and collaborated with each to gain knowledge to ensure success for each student.

Student Teacher- 1st Grade, Valley View Elementary School

August 2019- November 2019

Ashwaubenon School District, WI

- Developed lessons and led the classroom for eight full weeks which contributed to the understanding of time management and emphasized the importance of the teacher/student relationships.
- Delivered an original unit for Social Studies around the theme of Communities, a Science unit on Weather (with Einstein kit), and Writer's Workshop unit on Narratives.
- Administered reading assessments and used the data collected to create flexible guided reading groups, and planned a literacy block with Writer's Workshop and Reading Workshop.
- Enhanced learning experience and motivation by utilizing technology, especially SmartBoard.
- Used Positive Behavioral Interventions and Supports (PBIS) in conjunction with school and classroom expectations to guide classroom management techniques in order to create a safe and caring classroom environment.
- Set personal expectations to actively participate in all-school, elementary, district, and first grade team meetings, and attended professional development sessions to better understand the schools mission for student success.
- Prepared and presented information at parent-teacher conferences to communicate student progress, achievement, and classroom demeanor to students' parents.

Instructor- Grades K-3, Girls Leadership and Development Camp

July 2019
