

How do students feel about their experience at SNC?

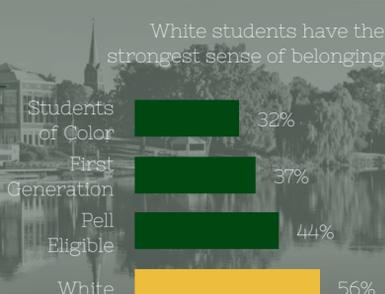

Overall Satisfaction

72% of students report being satisfied or very satisfied with their overall experience at St. Norbert College

Sense of Belonging

54% of students feel they belong at SNC a lot or a great deal

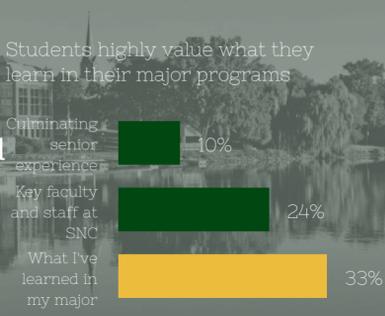

What Can SNC do to help?

What could SNC faculty and staff do this year to support you and help you be successful?

"Continue checking in with their students and making an effort to get to know us not just as students, but as people"

Prepared to Achieve

33% of students report that what they've learned in their major has helped to prepare them most to accomplish their goals for living a successful life

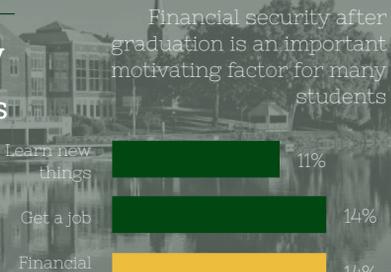

Vision of the Future

Imagine some point in the future...what does your life look like?

"I have a family and I own a house with some land in the country. My work is in either climate research or land management research, and I get to have an impact on the world around me."

Reasons to Stay

14% of students list financial security as one of their most important reasons to stay in college

Connection

58% of students feel they have found an SNC faculty or staff member who is personally invested in their success

"FYE and the required freshman courses helped me personally with giving me the reassurance that I needed during freshman year to feel a bit less lost and overwhelmed"

Student Worries

Students worry most about:

- What they're going to do immediately after college
- Doing well academically in college
- Finding a job that's meaningful

Would Choose SNC Again

64% of respondents said they would probably or definitely choose SNC again if given the opportunity

Impact of Experiences

How have your experiences at SNC moved you forward to your vision of success in life?

"I am lucky enough to work with faculty and staff that focus a lot on my pre-professional experiences"
